

June 14, 1984

Dear Harold,

Thanks for the McDouldton documents. Regarding the list of CIA MLK documents released to me, I enclosed a copy of page 1 item 3 (671005-A) in case you don't have it (you asked about it in your 6/4 letter). Regarding page 3 item 3 on the list (93087-68) there were no composite photos released. Regarding item 660715, I copied it and sent it on (it does not reveal what the source of the notes and receipts was, so far as I can tell).

Thanks for letting me know about the appeals brief. It would be of value to me, so I shall do as you suggest and get a copy from Jim later on.

Best regards,

Phil

SUBJECT: Views — A — on Black Militant Situation in Chicago

1. — A, B & C —

2. — A — said that SCLC activities in Chicago were declining, but were not being wound up. — A, B & C —

Dr. King spent little time in Chicago and was more involved with the peace movement at present. Nevertheless, he and the others (sic) remain solid supporters of King.

3. — A & C —

4. — A —

He felt that King sought at least constructive, positive projects, but he admitted that King's plan housing project in Chicago was impossible. The city had promised \$4,000,000, when \$40,000,000 would not be enough, and even the \$4,000,000 had never actually been allocated, he said. In general, he felt the situation was frustrating and depressing and very gloomy in outlook.

5. The Bureau may pass the above report to appropriate field offices for Background Use Only.
